Intelligent Commodity Investing

New Strategies and Practical Insights for Informed Decision Making
Edited by Hilary Till and Joseph Eagleeye

"Essential reading for commodity investors, or would-be investors, everywhere."
Sir Howard Davies, Director, London School of Economics and Political Science; and Former Chairman of the Financial Services Authority (UK)

"From lasting principles in commodities investing to recent trends and leading edge techniques, this book covers a full range of concepts that are critical for anyone investing in these markets."
Mr. David Kuenzi, Head of Risk Management and Quantitative Research, Glenwood Capital Investments, LLC, a member of the Man Group

As commodities move into the realm of respectable investments and with research continually demonstrating their attractiveness in an overall portfolio, this book provides institutional investors with a framework for intelligent commodity investing.

This is the only multi-contributor book on commodity investment offering a breadth of opinions for sophisticated investors.

Order your copy today and receive a 10% discount.
